

Immigration and Naturalization 101

United States Citizenship and Immigration Services is hosting a free “Immigration and Naturalization 101” on-line webinar for the public. This is an introductory overview where we will review the following topics:

- What is a green card
- How to get a green card
- What is a visa
- How to read the Visa Bulletin
- How to check case status
- Avoiding immigration fraud
- U.S. citizenship eligibility requirements

This session is for the average person to learn the basics of immigration law and where to get help. It is not for immigration practitioners, or for people who want to earn continuing education credits.

Date: Tuesday, March 12, 2013

Time: 5:00 pm to 6:30 pm (EST)

How to join: A few minutes before the session, please click here and follow the prompts:
