DIRECTIONS TO CRANBERRY LAKE: From the arsenal take Rt 80W to Exit 25 (to Byram/Netcong). Go North on Rt 206 through Byram (at least 3 lights). Continue north for a few more miles. Look for Timber's?(use to be Porky's) Restaurant on left. Make left on Southshore Road, just past Timber's. Bear left when road forks. Sharp right hand turn into ramp driveway, just a few hundred yards from Rt 206, as Southshore road is turning left. Ramp entrance is not marked, so proceed slowly. From Andover, take 206 south for 2.5 miles until you pass the Adam Todd Restaurant on right. Then right on South Shore Trail.
