

Seven (7) fishermen braved the frigid temperature 12 degrees @ the start with a wind chill of 6 degrees. The action started out slow but picked-up later on in the morning. Only 2 bass were caught, a lot of pickerel and crappie, one perch and a large pike were lost at the top of the hole. The only lake fished was Picatinny. Winning results are as follows:

Perch	Ernie Pulcini	.85 Lbs
Crappie	Ron Wally & Son	1.09 Lbs
Bass	Ron Wally & Son	2.13 Lbs
Pickerel	Mike Tutko	2.81 Lbs

I am planning another ice fishing contest for Saturday February 27, 2010 ice permitting.
