NCMA PICATINNY CHAPTER 2015 SMALL BUSINESS SYMPOSIUM

The Symposium will offer two educational tracks addressing both traditional and non-traditional approaches to doing business with the Federal Government. The full-day program will include seminars, panel discussions, and break-out sessions, as well as an exhibit hall that will be open throughout the event. Speakers, attendees, and exhibitors will include representatives of Government agencies, small and large businesses, and consortia operating under established Other Transaction Agreements (OTA).
